Relieve your financial stress with Child and student care expenses⁴ optional benefit

As your child grows and goes to school, they are inevitably exposed to higher risks such as unexpected infectious diseases or accidents. We understand that child and student care fees are costly. Opt for this optional benefit at \$18.17/year¹⁰ per insured child and enjoy up to \$500 child and student care centre fee reimbursement per incident when your insured child is hospitalised due to an injury or infectious disease. This benefit is also applicable if your insured child contracts an infectious disease and is on certified medical leave⁴.

Safeguard your planned trips with Event and staycay expenses⁵ optional benefit

Looking forward to that family staycation or event (e.g. ticketed concerts or attractions) but things take a turn for the worse when you or your children are hospitalised, and the plan goes to waste? Fret not, add this optional benefit for \$18.17/year¹⁰ per insured person and enjoy up to \$500 reimbursement per policy year for non-refundable expenses⁵ incurred by the insured family member who has been hospitalised due to an accident or infectious disease. You do not have to worry about missing out on the fun when the reimbursement allows you to re-arrange another trip or purchase another event ticket when you have recovered.
